## January Clearance Sales

Prices Cut Deep on Every Coat in Stock to Insure a Quick Clear Out—SALE BEGINS FRIDAY

It has always been a policy of this store at this season of the year to make a complete clear-out of every coat in stock regardless of value or former price. This year is no different from any other except that the coats offered would cost us from 25 to 33 1/3% more today were we to try and duplicate them.

### COATS

These Items Will Give You an Idea of the Big Savings

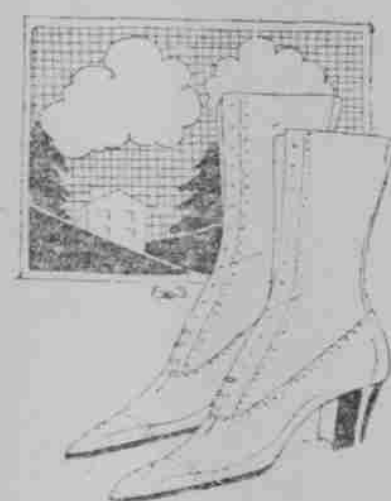

For convenient choosing these coats have been put into grouped lots, each garment bearing the original and the reduced price, for easy comparison. You will find among them the choicest garments of the season; and as to value, it is doubtful if you will ever see the like of them again this season. Here are the prices:
